WHAT SHOULD WE FOCUS ON? (OPTIONAL)

## What we check

- Speed & Core Web Vitals signals
- Mobile & responsive behavior
- SEO fundamentals: titles, meta, structure
- UX & conversion path review

e.g. Our site feels slow on phones and we get few inquiries from it.

## How audits are delivered

Audits are reviewed by a person, not a script. We don't generate automated scores and we won't pretend a machine reviewed your site. Your request is emailed to our team and the report comes back to your inbox.

Delivered by email — no account needed.
